

"ELLENA"

With reference to the list of thicknesses from drilling of the shell plating of the above ship forwarded with a letter of 3rd instant IT IS SUBMITTED the WEST HARTLEPOOL Surveyors be informed the results are such as can be approved, subject to the plates marked 'Condemned' being dealt with now. It is also concluded the plate in 'D' strake (p.s.f), .25 thick, will also be dealt with.

It is also submitted the Surveyor be advised it would be appreciated if, in future similar cases, he noted the thicknesses of shell plating from drillings in decimals of an inch.
