# Lloyd's Register of Shipping.

Port

SWANSEA.

24th July, 1943.

This is to Certify that

JAS. GRAFDISON

the undersigned Surveyor to this Society did at the request of the Owners Representative attend on board the m.v. "K&DOE", 5684 tons gross of London, as she lay afloat and in dry dock at Swansea, on the 29th March, 1943 and subsequent dates for the purpose of carrying out a General Examination in lieu of Special Survey, and ascertaining the condition of the vessel with a view to renewal of Load Line Certificate.

The General Examination has been completed, and repairs as found necessary for maintenance of sea worthiness are proceeding with a view to Vessel retaining class, and receiving notation "Examined 8,43" for a period of twelve months.

The condition of this Vessel having been found satisfactory it is submitted that the Load Line Certificate be renewed and made valid until 31st August, 1944.

*Jas. Grafdison*  
Surveyor to Lloyd's Register.

This is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
Committees of the Society use their best endeavours to ensure that the functions of the Society are properly understood that neither the Society nor any Member of any of its Committees is under any circumstances responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Member thereof, or the Surveyors, or other Officers or Agents of the Society."
