INTERNATIONAL CONVENTION 1930 RESPECTING  
LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH  
ART. 14 OF THE CONVENTION.

(Port) Rotterdam.

(Date) 25th August, 1938.

I have to report that I have surveyed the Dutch

"KEDOE" of Rotterdam O.N. -----

his date.

I have compared the arrangements on board the ship with  
given in the original freeboard report and I have found them to be  
reement therewith or equivalent thereto, and the whole to be in efficient  
ion.

The 2nd Special Survey No.1 has been completed  
his time and the original freeboard certificates have been  
mitted to the Dutch Authorities for extension by them  
the end of the year of grace allowed for the next Special  
ey, ultimo December, 1938.

The freeboard marking has been verified and found to agree  
ne freeboards given on certificate No. ----- dated -----  
issued by the Dutch Authorities.
