EPORT on the

M. S. "Kedoe"

It is submitted that the freeboard verification  
form and Dutch assignment letter forwarded by  
the Rotterdam Surveyors be acknowledged and  
a Surveyors informed that the freeboards were  
apportioned subject to the under-deck tonnage  
being confirmed when vessel is measured in  
Holland.

The registered dimensions given by the Copenhagen  
Surveyors ~~as~~ on his freeboard report were  
36 y. 3 Breadth 51 1/2. Depth 22.3 and under-deck  
tonnage 3408 ton

The Rotterdam Surveyors should confirm these  
particulars when the vessel is re-measured for tonnage.
