Dear Sir,

ANSD.....

S.S. " ENRICHETTA" ex " R.P. SMITH"

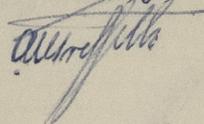

Referring to previous correspondence I beg to enclose herewith copies of letters, together with a free translation received from the Owners withdrawing the Class of this Vessel, and from the Registro Italiano requesting a copy of our Calculations for the purpose of issuing a new Freeboard Certificate.

(To F. R. M.)

In reply to my enquiry the R.I. confirm that they have acceded to the Owner's request for a Certificate to continue trading until the end of the year.

This concession was granted with the full knowledge that our Committee had considered it desirable to carry out a Survey at the present time.

Yours faithfully

Clerk to the Classification
