30th October, 1916.

Dear Mr. Narbeth,

I duly received your letter advising your amended freeboard report on the s.s. "J.M. DANZIGER".

You were quite right in sending on an amended report and we have cabled out to you an amended assignment.

You will observe that it is one inch more than you made . On reference to your figures you will see that in deducting the allowance for deck erections your arithmetic was an inch out.

With kind regards,

Yours faithfully,

*Geo. H. Mares*

O. Narbeth, Esq.,

PHILADELPHIA.
