Dear Sir,

"CALLI"

The above vessel is under survey at this port for Special Survey, and at the same time the Owners intend to remove the deeptank top in No. 1 hold in accordance with the drawing by the Maryland Dry Docks, Baltimore, which apparently has been approved by our New York Office with date 19.5.1952.

We should be glad to receive a copy of this approved plan, if it is available, as soon as possible.

Yours faithfully,
The Surveyors.
