LLOYD'S REGISTER OF SHIPPING,

5, Alexandra Buildings,

HONG KONG December 28th, 1927.

C. B. Nelson, Esq.

Manila.

Dear Sir,

M/V "PALAWAN":

The above vessel has been built under Special Survey at this Port to the order of M. J. Ossorio, Manila, and the engines were supplied from Germany, but unfortunately the whole of the Spare Gear as required by the Rules, did not arrive before the vessel sailed for your Port. Attached herewith is a list of the spare gear which is stated to have been ordered and I have marked in red what items have been placed on board here, and I shall be pleased if you will check on board the remaining items when delivered, and report direct to London.

Wishing you the compliments of the Season.

I am, Dear Sir,

Yours faithfully,

(SGD) T.S.MORRISON.
