Enclosure.

16th February, 1928.

Dear Sir,

H.

I have to acquaint you that the Motorship "PALAWAN" belonging to Mr. M. J. Ossorio, of Manila, has been built under the inspection of the Society's Surveyors at Hong Kong and has been classed \* 100 A1, with record of LMC 12,27, subject to the remaining spare gear being placed on board and checked at Manila.

For your information I enclose herewith a copy of the particulars of the spare gear forwarded to this Office by the Hong Kong Surveyors, from which you will observe to what extent this gear is deficient, and I shall be glad if you will arrange with the Owner for this matter to be placed in order.

You will be so good as to forward your report on the same to this Office in due course.

I am, Dear Sir,

Yours faithfully,
