Engerstr.13.

Dear Sirs,

We beg to acknowledge the receipt of your letter of the 4th instant.

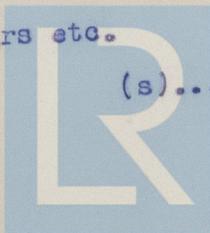

As far as we know it is a question of the supply for the firm Hongkong & Whampoa Dock Co., Ltd., of 2 motors of our type of construction P4K. These engines were made by the Reiherstieg yard in Hamburg and have already been delivered six months ago.

The testing by Lloyd's Register was made by the Hamburg Office and consequently the whole of the information necessary as regards these engines can be obtained from the Head Office.

Be good enough to forward an enquiry to that effect to London.

Yours etc.
