Lloyd's Register of Shipping,
Dusseldorf,
Engerstr.13.

Dear Sirs,

We beg to acknowledge the receipt of your letter
of the 4th instant.

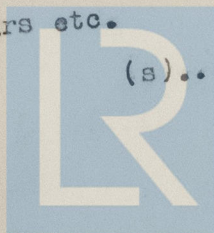

As far as we know it is a question of the supply
for the firm Hongkong & Whampoa Dock Co., Ltd., of 2 motors
of our type of construction P4K. These engines were made by
the Reiherstieg yard in Hamburg and have already been
delivered six months ago.

The testing by Lloyd's Register was made by the
Hamburg Office and consequently the whole of the information
necessary as regards these engines can be obtained from the
Head Office.

Be good enough to forward an enquiry to that
effect to London.

Yours etc.
