23th January, 1957.

Dear Sirs,

Steamer "LARANAH"

The case of this vessel has again received the consideration of the Committee, and as no reply has so far been received to the letter addressed to you on the 27th December, they feel that the time has arrived for some action to be taken in regard to the vessel's class.

Bearing in mind the fact that a Special Survey became due so long ago as August, 1955, and no arrangements are yet contemplated for this inspection to be held, the Committee have given instructions for a notation to be recorded in the Society's Register Book indicating that the class of the ship has been expunged on account of non-compliance with the Society's Regulations.

Yours faithfully,

c.c. Man.
