VESSEL'S NAME

"NOTRE DAME DE LORETTE"

Rpt.

Bou.

No.

747

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—*Extract from Sub-Committee's Report, 24/5/92.*)

The Boulogne Surveyor reports this trawler placed on a slipway, bottom cleaned and coated and on account of damage during heavy weather and ranging, 4 shell plates have been renewed and 2 faired.

On account of wear and tear, renewals have been effected to casing, masts, steering chains, plating under galley etc. and minor repairs carried out.

It is submitted the vessel appears worthy to remain as classed with record of survey 6,39.
