# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

ENCLOSURES.

Your ref:- C.P.Br.11.

5th April, 1921.

Dear Sir,

A. I beg to hand you herewith an account for the fee due for the survey held by the Surveyors to this Society on the steel trawler "WILLIAM CHATWOOD" with a view to classification, together with the classification certificates.

I may point out that this vessel was built under the survey of the British Corporation, but on instructions received from the Admiralty she was subsequently surveyed by the Surveyors to this Society, and the fee, as per enclosed account, is charged on the basis applicable to such cases, and I shall be glad to be favoured with a remittance in settlement in due course.

I would add that the fees for the survey of the machinery in this case have been paid by the Engineers.

I am, Dear Sir,

Yours faithfully,

The Director of Contracts,  
ADMIRALTY,

Avenue House,

NORTHUMBERLAND AVENUE. W.C.2.

Assistant to the Secretary.
