71, Fenchurch Street, E.C. 3.

5th April, 1921.

Dear Sirs,

A. With reference to your first entry report No. 32533 on the trawler "WILLIAM CHATWOOD" I have to inform you that for the survey now held on the hull with a view to classification a fee of £10. 10. 0 will be charged, and an account has accordingly been rendered from this Office direct to the Admiralty for this amount which on payment will be credited to your account.

You will, therefore, be good enough to see that the necessary entries are passed through your Rough Fee and Debit Books in the usual way.

As in the case of the sister vessel "WILLIAM COURTNEY" the classification certificates will be forwarded direct to the Admiralty.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
HULL.

Assistant to the Secretary.
