Dear Sirs,

Steamer "HELLENIC CHERYSSOULA"

I have to acknowledge the receipt of your letter of the 11th instant, and note your remarks.

The case has received the consideration of the Committee at their Meeting to-day, and it has been agreed that the Society's Surveyors may issue a Certificate to enable the vessel to be towed to a ship-breaking depot in the United Kingdom, provided a thorough General Examination of the hull in drydock is carried out by them.

The necessary instructions have accordingly been sent to the Society's Surveyors at Cardiff.

Yours faithfully,

c.c. Cff.

Clerk to the  
Classification Committee.
