No.

8th February, 1954.

Dear Sirs,

Steamer "HELLENIC CHRYSSOULA"

Reverring to my letter of the 2nd instant and to Mr. Atkinson's later telephone call stating that it is unlikely this vessel will be again placed in commission, I would inform you that the circumstances have now been reported to the Committee who, in view of the extensive repairs required in this case do not feel they can permit the vessel's class to remain in the Register Book and have accordingly give instructions for the class to be expunged with a Black Line, indicating reported defects.

Yours faithfully,

Assistant Clerk to  
the Classification Committee.
