12th September, 1947.

Dear Sir,

s.s. "CHRYSSOULA"

With reference to my letter of the 18th ultimo, I think you will be interested to hear that the Classing Committee had before them on the 5th instant the report from the Amsterdam Surveyors and in the circumstances they decided to give instruction for the vessel's class to be exchanged from the Register Book with a Black Line, which decision was confirmed at the Meeting of the General Committee yesterday.

Yours faithfully,

Clerk to the
Classification Committee.

P.H. van der Weel, Esq.,

ROTTERDAM.
