ENCLOSURE

Dear Sir,

I duly received your cablegram of the 13th instant from Amsterdam regarding the steamer "CHRYSSOULA" and much regret that your visit was a waste of time.

As you will see from my copy of letter enclosed, I am taking the matter up energetically with the Owners here and will forward their comments if and when they are received.

Meantime you should arrange for a suitable amount to be added to the Amsterdam fees fully to cover your services and expenses, together with our cable expenses here which amount to 18/3d.

Yours faithfully,

Clerk to the  
Classification Committee

P. H. Van der Weel, Esq.  
ROTTERDAM.
