Depth "d"

1870

Table No.

3 189.10

Description

Bulk made in and on

Submitted the Sunderland Surveyors
 he requested to visit this vessel with a view
 to assigning an amended date of last visit
 and report the fact to this office, also confirming
 the statement that the vessel has not been to
 sea since the date of last visit given in their
 report No. 24332.
