Dear Sirs,

"KOS 4" and "KOS 6"

In reply to enquiry which has been made of the Oslo Office as to whether these ships are still laid up at Sandefjord, it is learnt that they have been sold and are at Mosterhamn and Sagvaag respectively for conversion to fishing vessels.

It is concluded this conversion is not being carried out to your inspection, but I shall be obliged if you will kindly confirm this as the Committee will doubtless decide to expunge class in each instance.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
BERGEN.
