( Gms. " 23889

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24592.)

A PERIODICAL SPECIAL SURVEY (C) became due 2.49.

The Owners' proposal to defer Special Survey until early in the New Year was approved, provided the vessel is sufficiently examined so as to ascertain her general condition and all essential repairs effected to make her efficient for the proposed deferment.

The GRIMSBY Surveyors report (9.49), this trawler placed on slipway, bottom coated, and a General Examination partly held.

The same Surveyors now report (9.49), the General Examination, as above, completed.

IT IS SUBMITTED the vessel is eligible to have record of docking 9.49.

IT IS FURTHER SUBMITTED ACTION be DEFERRED for six months. ~~a short time~~ for Special Survey.
