No. 23889

marks of the Chief Engineer Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey

~~DAMAGE & WEAR AND TEAR.~~

Owners' proposal to defer Special Survey until early in the New Year approved, provided the machinery is sufficiently examined to ascertain al condition, and all essential repairs are effected.  
The Grimsby Surveyors now report (9-49.) the General Examination now completed.

It is submitted the vessel is eligible to remain as classed with record of Survey BS 10-49 as recommended.
