communications to be addressed to
THE SURVEYORS.

Dear Sir,

Tug. "BIO-BIO".

H.

In reply to your letter of 24th. January 1950 respecting the overdue Boiler Survey on this tug, the Owners were approached in this connection when they intimated their intention of discontinuing the class of this vessel.-

We have now received confirmation by letter from the Owners that they wish to withdraw their tug from Classification in view of the fact that she is used solely inside of this port.-

Yours faithfully.
