Dear Sir,

H.

With reference to your Report No. 3132 on the steamer "LINDHAUG", I have to acquaint you that the Barry Surveyors state they are informed by the Master that the Owners have withdrawn the vessel from classification with this Society and transferred her to Norske Veritas.

In the circumstances I shall be glad if you will get in touch with the Owners and confirm their decision in this matter.

You will observe that the rudder head requires to be renewed before the end of the present month and that the Boiler Survey will become due at the end of January.

Yours faithfully,

Clerk to the  
Classification Committee.

S. A. Eide Esq., B.Sc.
