Vessel's Name:

We acknowledge your letter of the 1st July and confirm our conversation with you to-day regarding our Petroleum Tank Barges trading on the River Humber and adjacent waterways.

We learn from you that our barges "KESTREL"^c, "KINGFISHER"^c, "ALBATROSS"^c, "SWALLOW"^c and "R.O.P.No.4" remain on your Register as "classed" barges. Will you please note that we no longer desire them to be classified and that, together with our other craft of similar tonnage, we shall request from your Hull Office an annual survey to comply with the requirements of the British Transport Commission.

For your information, the "R.O.P.No.4" is no longer in our ownership and has been scrapped as a carrying vessel.
