We thank you for your Memorandum of the 10th of August 1962, Publications, and beg to advise you that the Ship Breaking Company Kiong Huat Hardware Co., Ltd., sold this Ship to the Teck Hwa Shipping Co., Ltd., who had the ship put through survey to B.V. The "ANLOK" was then sold by the Teck Hwa Shipping Co., Ltd., to PERMINA of Djakarta Indonesia, who renamed it "PERMINA VI", and we understand, registered at Djakarta however this cannot be ascertained.

The present Owners are the same that own the "PERMINA I" and "PERMINA II".
