# Lloyd's Register of Shipping.

Port Port Said

16th November, 1939.

**This is to Certify** that I have

Starboard and Centre  
Surveyed the/ Boiler ~~and Machinery~~ of the Steel Sc. "PERLA"

5741 tons gross of Venice, whilst lying afloat at Port Said.

and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have

**Recommended** that the record of BS II,39

be made in the Register Book in the case of this vessel.  
when the survey has been completed.

To complete. The Port boiler requires to be examined, and all  
safety valves adjusted under steam to 200 lbs per square inch.

*P. F. Balfour.*

Engineer Surbepor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
