Dear Sir,

We are informed by Messrs. Navigazione Libera Triestina, S.A., that the above named steamer is due to arrive at Venice tomorrow. The vessel will then proceed to Trieste, from where she is due to leave on 17th instant for South Africa. The Owners inform us that the vessel will carry passengers between South African ports and for this purpose they wish to obtain a Consular Certificate. As the vessel has just been completed under the special survey of the Society's Surveyors at Glasgow and in view of the short time at their disposal, the Owners request that such survey be accepted as a Consular Survey and the usual examination at this port be dispensed with in this particular instance. We may add that the British Consul at Trieste is agreeable to accept the Glasgow Surveyors' signature on the Society's Report form No. 10.-

In the circumstances we have wired to you as per enclosed translation.
