Dear Mr. Sladden:

I am in receipt of your letter of the 9th instant regarding the case of the steamer DESCUBRIDOR, Mobile Report 2338, which was submitted on the 25th February to the American Committee who expunged the class with a Black Line, and I note that two days later the Classing Committee took similar action.

It is unlikely that a similar case will arise again for years, but I quite agree that we should institute a procedure whereby we cable you immediately the American Committee has dealt with the class, so that you can take whatever action you deem necessary at your end.

Thanking you for drawing the matter to my attention, and with kind regards,

Yours faithfully,

R.J. Sladden, Esq.
