AIR MAIL
Enclosure

5th February, 1948.

Dear Sirs,

I duly received your letter of the 30th ultimo respecting the tanker "DESCUBRIDOR" from which it is apparent that the new Owners do not intend to comply with the Committee's requirements for repairs before the vessel leaves Mobile.

In the circumstances, I cabled you as per copy enclosed, and have also cabled the Society's New York Office to inform the local Agents in similar vein.

Yours faithfully,

The Surveyors,
GENOA.
