Ref. S

Dear Sir,

Steam Tanker "DESCUBRIDOR"

With reference to our recent telephone communication regarding this Vessel I have to state that the new Owner states that he has requested the Registro Italiano to issue a Provisional Certificate for the Vessel to proceed to Italy with a Cargo, and that the American Bureau Surveyor acting on behalf of the R.I. in Mobile is issuing the necessary Certificate after the carrying out of certain repairs which will take about 6 days.

The Director of the R.I. confirms that, following a request from the Owner for an Interim Certificate, he telegraphed the American Bureau at Mobile to issue the necessary document but up to date has not had a reply to his request.

Yours faithfully
