Dear Sir:

ANSD.....

S/S DESCUBRIDOR ex GULFMAID

Referring to Mobile reports 2311 and 2312 relating to the above named vessel, the Mobile Surveyor advises that she has been purchased by Ligure Toscana Soc. di Nav. of Genoa, Italy. Mr. Chapman reports that it is the new owners' intention to repair the vessel only to the extent required to obtain an interim certificate for one voyage to the Mediterranean, and it has been pointed out that a complete Special Survey will require to be held on her arrival at a repair port in the Mediterranean.

Yours faithfully,

[Handwritten Signature]
