Vessel's Name: Steam Tankers "ISIDORA" and "ISANDA"

We are in receipt of your letter of 12th ultimo regarding the class to be assigned to the above vessels.

The position has been explained to the Builders and to the Owners' Representatives and we are now enclosing the Hull Certificate of Class for "ISANDA" as requested by you.

The Owners have forwarded both the Hull and Machinery Certificates to this office. The Machinery Certificate is being retained and we should be pleased if the fresh certificate for the hull could be sent to this office for transmission to the Owners together with the machinery certificate.
