Dear Sir,

"LENA" Rotterdam Report No. 37352.

In reply to your classing letter of the 27th October, 1954 respecting the electrical installation of the above vessel we beg to confirm that the particulars supplied on the report 13 for the sister vessel "OB" apply also to the above vessel.

Further we beg to inform you that the settings of the over-current protective relays are 125% with time delay and 200% direct acting.

We regret that the above particulars have been omitted from our report for which please accept our apologies.

Yours faithfully,

The Secretary,
LONDON.
