As recommended.

"LIMA" 4334 As recommended. It is concluded that in connection with the fitting out of the cylindrical storage tanks in the boiler room and Nos.2, 3 and 4 double bottom tanks, the requirements of Section 20 of the Rules for Steel ships have been complied with where applicable, but I shall be glad if you will confirm this. Two certificates are enclosed, and I shall be glad if you will transmit these to the Owners if the case is in order. The date of the first survey on both hull and machinery reports has been amended to 6.3.46, and the date of Screwshaft Examination to 29.7.46, but I shall be glad if you will confirm that these dates are in order.
