When due

The 2nd S.S.No.2 became due 11.27 and a proposal to postpone the same for the present was agreed to in March last.

The Lisbon Surveyors now forward a letter from the Owners stating that they do not desire to retain the classification.

The Surveyors add that the principle reason for the trawler being taken out of class is the action of the Authorities, who insist on an excessively rigorous ^{examination} and ignore the fact that the vessel is classed.

It is submitted the class of this vessel be withdrawn from the Register Book and three dots (...) inserted in lieu, indicating withdrawal of class at the Owners' request.
