Dear Sir,

I am in receipt of your memorandum of the 27th ultimo respecting the steam trawler "SIRIUS 1" and in reply I have to say that in the circumstances the Committee have deferred consideration of this case for the present subject to the Boiler Survey being carried out before the vessel is again placed in commission. The Committee are also agreeable to the Special Survey No.2 and the Screwshaft Survey, which became due at the end of November and January last respectively being postponed for the present.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs

Yours faithfully,

Clerk to the
Classification Committee.
