To the Surveyor at LISBON.

Vessel's Name, Steam Trawler "SIRIUS 1".

QUESTION.

ANSWER.

With reference to your memorandum of the 29th August last, I shall be glad to learn whether this vessel is still laid up.

I shall also be glad to learn the Owners' intentions in regard to the 2nd Special Survey No.2 which became due on this vessel at the end of last month.

I think it well to point out that the survey of the screwshaft will become due at the end of next month.

Yes.

This company is in a very bad way, and I fear the vessel's will be put up for auction during the coming year 1928 as the Banco Nacional Ultramarino have a very big claim & they also owe the Insurance Co. over £.350 for premiums.
