YOKOHAMA,

Dear Sirs,

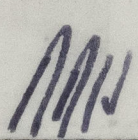

"NAGASHIMA MARU"

We thank you for your letter of the 29th August in connection with the Continuous Survey of the machinery of the above ship.

This survey was completed whilst the vessel was in this district in February, 1958. Our Rpt. 9 No. 2498 gives as the nature of survey "Dky., Completion of C.S. & DBS." but an error was made in the recommendation which refers to "CS (with date) when the survey has been completed."

Before replying to the Owners letter of 25th August, it would be advisable to obtain London Office confirmation that in fact no items are considered outstanding and a copy of this letter will accordingly be sent to the Secretary.

Yours faithfully,

  
pro the Surveyors
