

AN EXTRACT FROM THE CLASSING LETTER TO YOKOHAMA 11.4.58

2498 "NAGASHIMA" MARU" As recommended, except that the notation of S.S. Yka. 2,58 has been withheld pending completion of the Continuous Survey of the machinery.

It is concluded that you are in error in reporting the anchor chain cable as being 2.13/16" S.Q., as the equipment was only supplied at 1.7/8" S.Q., but your confirmation of this is desired.
