7th November, 1919.

Dear Sir,

3. I have to acquaint you that I am in receipt of a communication from the Master of the Schooner "MARIE JEANNE", from which it appears that the vessel has put back to Perros-Guirec on account of damage sustained through stress of weather. She is going to be placed on the hards towards the end of this week with a view to being surveyed.

The Master has accordingly been informed that if the vessel is to retain her class, the repairs are to be carried out under your supervision. I have therefore to request that you will give the case the necessary attention.

I am, Dear Sir,

Yours faithfully,

Secretary.

L.G.G. Demarest, Esq.,
