Dear Sir,

S.S. "DOREA"

With reference to your letter dated 3rd June 1958, we have to inform you that to date this ship has not been submitted for survey in this area, nor has she been stemmed at any of the local yards. The Surveyors at the other ports in Japan were informed of the contents of your letter with the request to advise this office should the ship be submitted for survey, but as no reply has been received, we assume the ship has not been submitted for survey in Japan.

Yours faithfully,

*ImacLeod*

For the Surveyors.

The Secretary,
