Received from Chief Ship Surveyor

VESSEL'S NAME

At S. S. Elysian

Rpt.

Hull

No.

24557

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

Just entry

It is submitted the Hull Surveyors should be requested to state whether it is to be understood that this vessel has proceeded to Grimsby for the purpose of having her machinery fitted, as in the case of the Sister Vessel, and if so they should state what remains to be done to complete the survey on the hull, with a view to the vessel's classification, and whether they have advised the Grimsby Surveyors.
