Dear Sirs,

"Pacific Skipper" ex "Baron Belhaven"

The above vessel is at present being converted to oil fuel and repaired at Kasado Dockyard, in this district, under the survey of the Bureau Veritas.

We have approached the Owners representative, requesting that he give us formal written notice of their intention to withdraw the ship from our class, but have so far received no response.

Therefore we would be glad if you could approach the Managers, Messrs. Island Navigation Corporation, 65A French Bank Buildings, Queen's Rd. Central, Hong Kong, at your port and ask them to write and inform the Society officially, of their intentions regarding the class of this vessel.

Yours faithfully,

(Signed) F.A.M.
For the Surveyors.
