Dear Sir,

I am in receipt of your letter of the 1st instant, with further reference to the Costeiro fleet and have to state that I am informed by this Company that they do not desire further surveys of any description on the vessels listed. It has been pointed out that almost all of these vessels are now due or overdue for either Special, Boiler or Screwshaft Surveys and that since it is not intended to carry out these, it can only be recommended that the class of each vessel be dealt with as necessary.

Yours faithfully,

(sgd.) M. GLADWELL.

Surveyor to Lloyd's Register of Shipping.

The Secretary,

LONDON.
