LLOYD'S REGISTER OF SHIPPING?

71, Fenchurch Street,

1st September, 1949.

ENCLOSURE.

AIR MAIL.

Dear Sir,

With reference to your letter of the 23rd ultimo regarding the Costeira Fleet, I enclose herewith a statement which has been prepared of surveys due or becoming due on the vessels they do not intend to maintain in class.

I note you say they wish to retain class for these ships until they become due for survey, and perhaps you will be good enough to indicate whether by this they mean Special Surveys as opposed to Boiler and Screwshaft Surveys. If so, I take it they would be prepared to carry out the minor surveys meantime, but if not it would seem from the attached list that we ought to deal with nearly all the classes at once.

Your comments would be appreciated.

Yours faithfully,

Clerk to the
Classification Committee.

M. Caldwell, Esq.,
RIO DE JANEIRO.
