CARACAS.

"ESSO ORINOCO" I shall be glad to receive an early reply to my Classing Letter of the 15th October, the text of which is as follows:-

"The contents of your report have been noted and as the donkey boilers were examined in 1956 a fresh record of DBS 8,56 has now been assigned. I shall be glad if you will ascertain from the Owners what arrangements they propose making for these boilers to be examined, the survey having again fallen due at the end of August last."
