Dear Sirs,

Steamer "NAVEM MONICA"

The Committee have now had before them the case of the above named ship in connection with the comments contained in your letter of the 9th instant.

In reply, I am pleased to say they are prepared to agree to the Owners' proposals. They must, however, rely on the Special Survey being definitely held not later than April, 1962, for the vessel at present holds only a notation of Modified Special Survey 3.60 valid for two years and, as you doubtless know, there is no period of grace in connection with a Modified Survey.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
RIO DE JANEIRO.
