Dear Sir,

"NAVEM MONICA"

As reported in our letter of the 22nd January 1960, this ship has arrived at this port, has been dry-docked since, and submitted for Hull and Machinery Special Surveys.

The Owners are now wanting to limit the recommended hull repairs for an 18 months to a 2 years' period, and beg to request that the ship might be considered for a Modified Special Survey record for 2 years.

This company has had to make drastic changes at their drydock and repair yard to include their new building programme for L.R.classed ships, which has reduced their output.

May we therefore have your decision and instructions concerning this case as soon as possible.

It would be appreciated if you could reply by cable.

Yours faithfully,

*E. Hawley*
